

COMMERCIAL LITIGATION

LARGE-FIRM EXPERIENCE. AT YOUR SERVICE.

WE SUPPORT YOUR BUSINESS.

You are not in the litigation business. Litigation can be costly and risky, and it often distracts management from day-to-day operations. *We are* in the business of resolving disputes. We do it effectively and efficiently, so you can get down to business.

EXPERIENCED COMMERCIAL LITIGATORS.

Our partners have a wealth of combined experience litigating complex business disputes in state and federal courts, including bankruptcy courts, in New York and across the country.

A number of our cases have involved successful trial representations, and many others have ended in successful resolutions prior to trial. Many of our cases are purely domestic disputes, but we also have extensive experience with issues unique to cross-border litigation, such as parallel proceedings, forum non conveniens, foreign judgment/award enforcement, discovery in aid of foreign proceedings, and sovereign immunity.

In addition to our extensive commercial litigation docket, we have deep experience handling domestic and international arbitrations and court proceedings ancillary to arbitration.
